Administration

The progress of the East Penn Union School District can be credited to the effort of the Administration and School Directors. Their's is the responsibility of selecting the faculty, the financing of the schools, the maintenance of school property, and the supervision of instruction, curriculum, and school activities.

At present, satisfactory progress is being made on the construction of a new three and one-quarter million dollar Emmaus High School which is to be completed and ready for occupancy by September 1955.

Much praise is due the administration for its effort which for many years has resulted in the accreditation of our high school by the Commission on Secondary Schools and acceptance as a member in the Middle States Association of Colleges and Secondary Schools.

History of the Class of 1955

In September 1951 one hundred ninety-nine students began their careers at Emmaus High School. The class was divided into five sections, two at the Lincoln Junior High School and three at the Jefferson High School. (The class, as it appeared then, is pictured on pages 55, 56, and 57.) The first of many successful functions sponsored by the class was the Freshman Minstrel, "Make Believe," presented January 31 and February 2. Displaying many talents the participants transported the appreciative audience into a land of fantasy. "The Daffodil Dalliance" was held May 17 in the high school gym.

The first dance of their sophomore year was "The Sweetheart Swirl" presented in honor of St. Valentine on February 7. Couples danced to the music of Al Helfrick's Orchestra under red and white streamers. A second dance, "The Mardi Gras in May" was held May 16. Realizing that they were soon to become upperclassmen, they began to take a keen interest in school activities. At the end of the term cheerleaders, colour guards, and majorettes were selected from the class, and all were prepared to fill the positions vacated by the upperclassmen.

tra, the Queen and King were crowned. As the school term drew to a close they gave a final tribute to the senior class by presenting the "Senior Farewell," May 29.

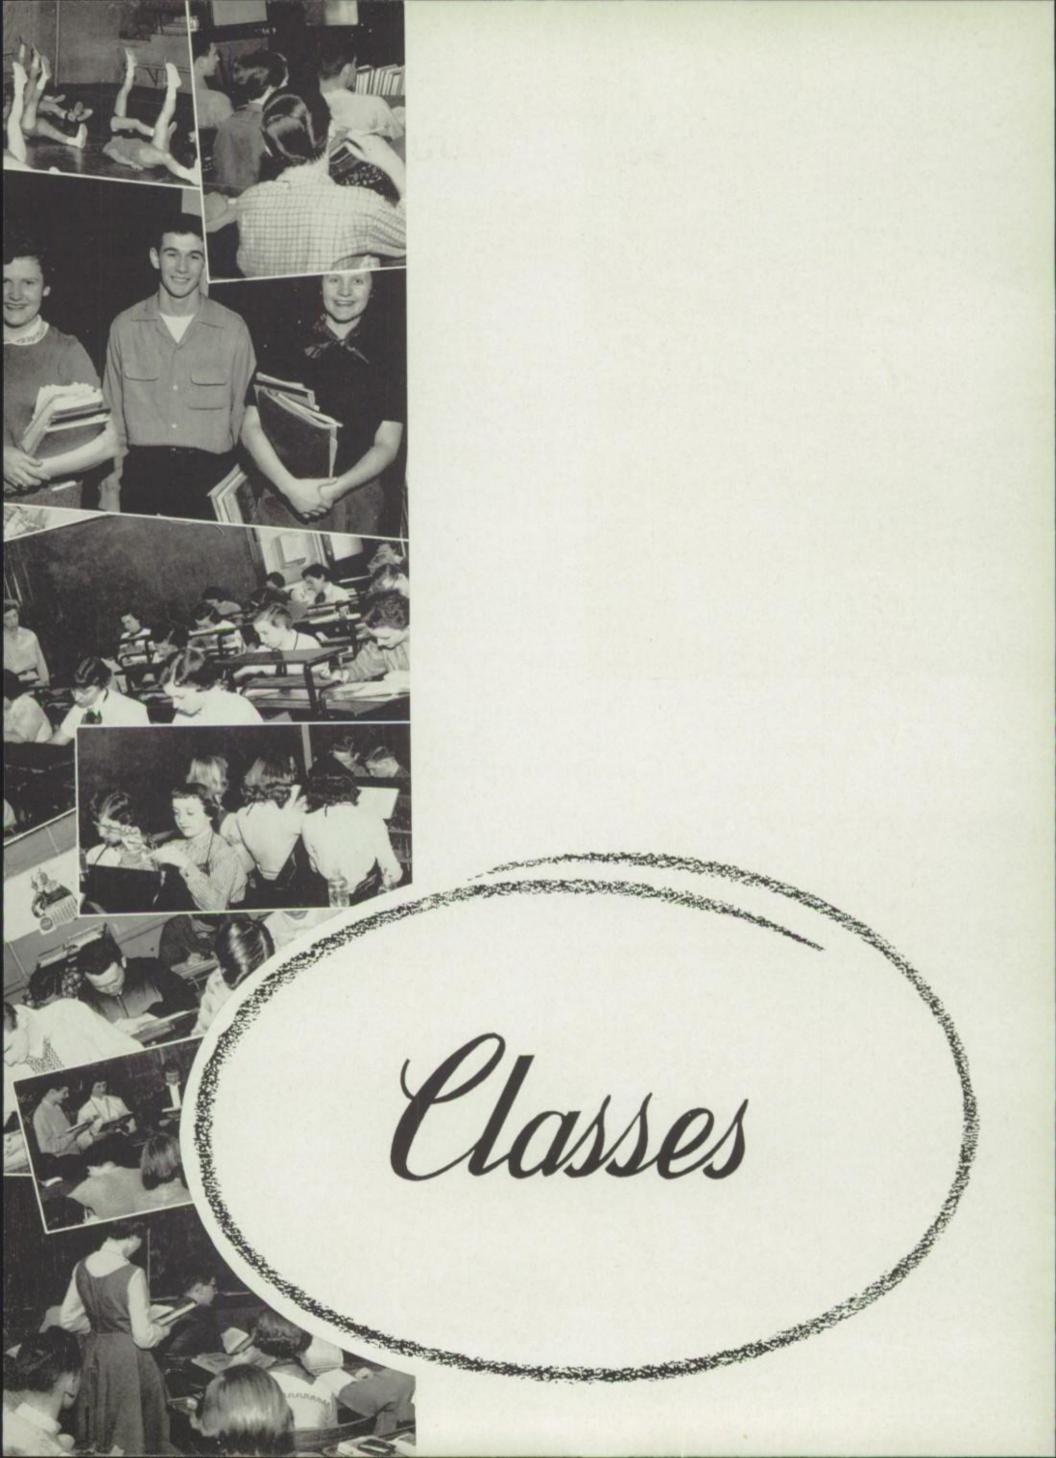

The steps to the senior class are gradual and true, and having arrived at the last round of their high school careers they were about to realize the joys and cares that accompany the honored rank.

At the first class meeting class officers were elected, (pictured on page 57). On November 6 the girls escorted their beaux to the "Sadie Hawkins Dance." The Senior Class Play, "The Little Dog Laughed," presented November 19 and 20 was a never-to-be-forgotten event. The Senior Jamboree, held January 15 brought more success their way. The chamber of horrors, bingo room, beer garden, and stage show were some of the consitituents of this successful function. On February 19 a dance was held in honor of St. Valentine. In formal attire they attended the Senior Ball which was a dinner-dance. This grand event was a suitable climax to their social life at Emmaus High School. Their sojourn was nearly completed as they attended Baccalaureate services and solemnly bowed their heads together in prayer. June 10, as the last class to graduate from the Jefferson building, all experienced the thrill and sadness that Commencement brings. They received their diplomas and held back tears as they sang the Alma Mater and thought of all the friends they had made and the happy times they had had. Thus ended four years of life for 155 seniors, the 1955 Class of Emmaus High School.

The Junior Prom held at Hotel Bethlehem, April 22, proved to be a dream come true. Finally the class presented "The Senior Farewell" expressing best wishes to the senior class.

World History

Questions dealing with events that have taken place in the world's existence, are fully explained by Mr. Alfred Neff to the 10C students in World History Class. Though many of the students enjoy reading about remote periods, they are glad they were not a part of them.

In future academic work these 10A students will benefit greatly from their typing skill which is taught to them by Miss Mildred Strauss. Proficiency and accuracy are stressed as students practice their daily typing drills.

Biology

To students of biology the dissection of any specimen is of great interest. Mr. Ken Moyer is shown explaining to 10G students the external anatomy, or structure, of the crayfish. This part of the course combines the theoretical phase with the practical phase to make the subject clearer and more interesting.

Bookkeeping

Bookkeeping students are learning that to debit or to credit a business transaction is not solved by flipping a coin, but by strict adherence to journalizing formula. As part of their commercial training these 10C students, under the direction of Mrs. Gladys Dissinger, are filling out worksheets.

For two hundred twenty freshmen, high school began on September 9, 1954. Those who attended their dance, "Out of This World" on December 11, found stars hanging from above with paper moons and planets appearing everywhere. Freshmen Experience Joy of Succeeding

Music

Music appreciation and chorus work are two phases of the music course offered to freshmen classes. The 9-3 students, as well as their instructor, Mr. Errol Peters, are engrossed in the singing of Negro spirituals.

Latin

As these 9-5 Latin scholars read the stories, and study the words—their meanings and use—ancient Rome seems to come to life. Mr. Elwood Ortt, who has a thorough knowledge and understanding of the language, is the instructor of this course in the school's curriculum.

Home Economics

A thorough knowledge of meal planning and nutritional value of foods will be a great asset to these future homemakers. Miss Lucille Baver is teaching the 9-2 girls how to substitute one ingredient in a recipe for another, as part of the culinary skills they learn.

Physical Education

Calisthenics, which result in good muscle development, are enjoyed immensely by girls in their gym classes under the direction of Miss Marilyn Clymer. These 9-4 girls are doing an exercise which will develop the muscles in their legs, in addition to the stiffness, of which they will later be conscious.

Student Government In Action

School administrators and borough officials cooperatively sponsored a student government day on February 21. Elected student officials from the senior class participated in a borough mock council meeting, gave reports on their specific departments, and made recommendations which might be considered by the Borough Council.

Classes had been instructed on the use of a voting machine which was granted by the Lehigh County Commissioners for such training. On January 17 students filed their petitions with the required ten signatures for the elected offices and a political rally was held in the auditorium the day before election with candidates giving three minute speeches. Most of the candidates had campaign managers, posters, and slogans, and all the students displayed an enthusiastic and competitive spirit. The ten elected students met as a group and appointed six fellow classmates to the following positions: Chief of Police, Fire Chief, Borough Supervisor, Secretary, Treasurer, and Borough Solicitor. At the same meeting the councilmen chose the departments they wished to supervise.

Elected and appointed officials were taken on a tour of the Borough by their counterparts, and were guests at dinner meetings of the Kiwanis, Rotary, and Lion's clubs of Emmaus.

A Night to Remember--

The night was filled with excitement and anticipation as many couples entered the beautifully decorated Frolics Ballroom on April 29, 1954 for the long awaited thrill of attending the Junior Prom. The spacious ballroom, together with the sweet music of Bud Rader's Orchestra, furnished the extravagant and romantic background for the theme of the dance, "A Night To Remember." The couples danced and conversed as they awaited the big event of the evening—the crowning of the King and Queen of the Prom.

At intermission, Vice President, Lester Stauffer, announced the King and Queen of the Prom and their attendants. The orchestra played "A Pretty Girl Is Like A Melody" as last year's Queen and Lester Stauffer led the King, James Warmkessel, Queen, Virginia Eck, and the attendants, Lucille Heist, JoAnn Kushinka, Yvonne Renninger, and LaRue Kerschner down the

aisle on a white satin carpet to the beautiful throne. Rebecca Sachs crowned the Queen and Lester Stauffer crowned the King in the presence of many smiling couples.

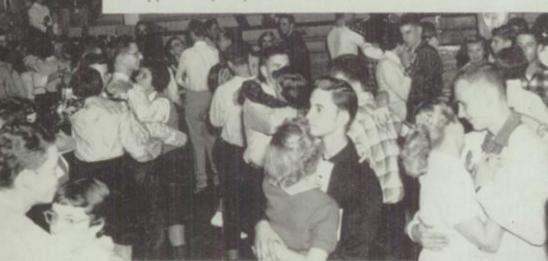

After a wonderful evening of dancing, taking souvenir pictures, excitement, and fun, the couples departed for mid-night snacks, and knew that this was certainly, "A Night To Remember."

Laurie Huntington (Pat Fry) as she entertained the ladies invited to her mother's tea. The ladies were a group of self-centered busy-bodies, gossiping a mile a minute. Pictured are Caroline Blakesley (LeAnn Moyer), a younger woman having a giggle for every remark; Amelia Dennis (Marlene Schwartz), a thin, mousy-looking woman; Walola Breckinridge (Elaine Schwar), the dignified expensively-dressed wife of the bank president; Tessie Brown (Eileen Benner), submissive old maid; and Grace Schoenbeck (Connie Iobst), large wife of the department store owner.

Love interest was provided by psychology student, Laurie Huntington (Pat Fry), and her beau, Mark Bradford (Michael Dubick), along with her younger brother Wally (George Richard), and his first love, Joansie Wood (Linda Stoudnour).

Seniors Stage

On the evenings of November 19 and 20, the Senior Class presented the hilarious comedy, "The Little Dog Laughed," under the able direction of Mr. Woodrow Schaadt and two assistant directors, Harold Leiser and Ronald Berger. The members of the cast displayed their fine dramatic ability in both performances and received hearty applause from enthusiastic audiences.

The play revolved around Laurie Huntington, a sophomore majoring in psychology. Coming home from college, she expected to greet a normal, well-adjusted family, but found a "group of psychological knots" instead. Sid Huntington, her father, was in a "mood" because "Deadwood" Ted Wood, his rival in the used-car business, was about to obtain a much-desired dealership. Sid was disturbed because he feared his loan from the bank wouldn't go through. Martha, Laurie's mother, planned to help her husband by inviting Walola Breckinridge, wife of the bank president, and other influentials to tea.

Laurie, in an effort to help her family, utilized her psychological training, and, as a result, ruined the tea by humiliating the guests with the administration of Zombroski Ink Blot Test, des-

troyed Wally's romance, and convinced the maid of being a genius.

Tired of being a bunch of "cases," the family decided to out-psychologize Laurie. Arriving home at 1:30 A.M. with her date, Mark Bradford, Laurie found her family literally carrying out her teachings. Consequently, irate and embarrassed, she left home.

Laurie's good intentions were rewarded when Wally invited the Woods to his home, and before this fateful meeting ended, the Woods and Huntingtons were good friends. Laurie came home and found forgiveness from her family and Mark. Wally and Joansie also re-discovered each other.

Recognition should be given to the members of the honor cast, who faithfully devoted their time to studying and perfecting their roles, attended all rehearsals, and were prepared to meet any situation which might occur.

The success of the play also depended on the students who constructed and painted the scenery under the direction of Miss Mary Miller and Mr. John Child, and those who efficiently served on the various committees.

Sports Officiating Club

The purpose of this club was not only to teach the rules of different sports, but also to show the members the finer points of each game. During the year there were blackboard talks on maneuvers of different sports. Each individual learned respect for referees as they discovered the difficulties of officiating a contest in the Saturday Morning Basketball League, where they served as officials.

Boys' Gymnastic Club

Good timing, co-ordination, and top physical condition were attained by these boys, who practiced using the parallel bars, the side horse, and tumbling. The object of this training was to perfect to the utmost, the grace and ease with which they could perform such stunts as hand-stands and somersaults for the gym exhibition.

As added attractions, the members had wrestling and three-round boxing matches.

Varsity "E" Club

These students, who were letter winners in a sport, helped promote and maintain good sportsmanship throughout the school. Their activities included the Slatington and Emmaus faculty basketball game; dances that were eagerly awaited after home basketball games; and selling green sweat shirts. Improvement of all sport rules was the topic of much discussion.

"Show Business" Features Broadway Hits

On March 11 and 12 the music class presented "Show Business," using excerpts from five popular Broadway shows. Two student directors headed each of the productions. Under the competent supervision of Mr. Errol Peters, a delightful performance was witnessed by responsive audiences. Portraying "Mr. and Mrs. First Nighter," Nancy David and Ronald Hemphill discussed the show and added comments between acts.

The show opened with a light and gay atmosphere, under the direction of Timothy Dreas and Daniel Kline, with "June Is Bustin' Out All Over," from Carousel. "Clambake," portraying the chorus as picnickers gaily singing, highlighted the first portion of "Show Business." Following successively was Show Boat, directed by Donald Gulla and Frances Moyer, which included a vocal

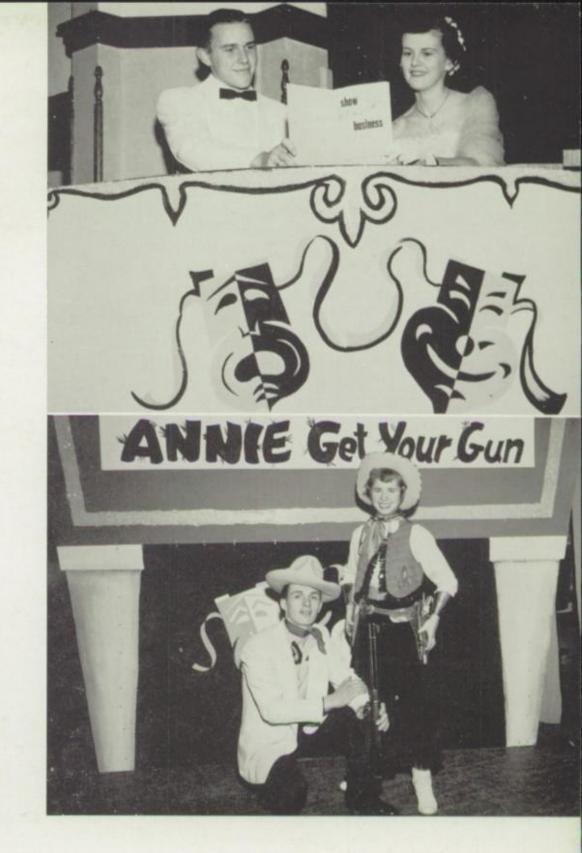

duet and an acrobatic dance to "Make Believe." Oklahoma, directed by Margaret Morgan and Shirlene Fegely, starred two dancers, backed by the chorus, performing to the title song. "Bali Hai," sung by the Girls' and Boys' Glee Clubs and featuring an Hawaiian dance, changed the setting to an enchanted South Sea Island. This was presented in South Pacific, directed by Marjorie Everhard and Jean Hinkel. Concluding the performance was Annie Get You Gun, under the direction of Harold Leiser and Shirley Kline. A novelty vocal duet, "Anything You Can Do I Can Do Better," stole the last portion of the show. "There's No Business Like Show Business," by the entire cast, and a stirring rendition of "The Star-Spangled Banner," ended a performance enjoyed by everyone.

Home Nursing Club

The knowledge that was gained by this group of girls will be an invaluable asset to them if they enter nurses training or homemaking in the future. The things taught to them during the year included bed making with and without

a patient in it, clinical thermometer reading, bandaging and administering first aid. The group especially enjoyed a guided tour through the Sacred Heart Hospital where they were taken through different departments and shown the

apparatus being used for various treatments.

Hi-Y Club

This organization, newly formed in September, attempted to create, maintain, and extend high standards of Christian character throughout the home, school, and community. Following the rules established by an international group of which it is a member, they attempted to attain two main objectives. The first, a good-grooming campaign for the purpose of having students dress more neatly when they attend the new high school; while the second was to try to understand themselves and others more completely. Many interesting club periods were devoted to the Life

Problem Discussion Course, based on the character education book, *Teen Talk*. Topics such as "Be Responsible," "Be Sensible," "Be Steadfast," "Be Kind," "Be Loyal," "Be World-Minded," and "Believe in Yourself" were thoroughly discussed.

Industrial Arts Club

In the third year of its existence this group consisted entirely of girls. The main objective of the club was to acquaint the girls with the common tools such as the hammer, file, chisel, and screw driver, and teach them how to put them

to use. During the year various projects, like the construction of end tables and bookcases, kept them sufficiently occupied. The knowledge and experience gained by the girls will give them the

satisfaction of being able to do minor repairs for themselves.

Tri-Hi-Y Club

Clean speech, sportsmanship, scholarship, and living was the platform of this group. Projects during the year included a Thanksgiving program, selling Christmas decorations, and attending a Bethlehem rally. The club's objective was to promote Christian character in everyday living.

Organized Student Government

Student Council The democratic management of the school benefited greatly through the efforts of thirty-eight Student Council members. Under the supervision of Mr. Errol Peters, this organization, consisting of two members from each homeroom discussed many issues covering the manners and dress

of the student body, noon-time dances, lyceum programs, and exchange assemblies with neighboring schools. During the year, representatives were sent to many conventions. The most important was the National Student Council Convention, held at St. Paul, Minnesota, on June 20 to 24, which was attended by the Vice President of the club, Eleanor Kratzer.

Improves Inter-School Relations

Monitor Club Wearing green and gold arm bands, while regulating traffic in the halls, distinguished the junior and senior monitors serving as the law-enforcing body of the school. Under the competent guidance of Mr. Richard Shaak, this organization met twice a month with the purpose of discussing methods of enforcing the school's regulations. Students breaking the rules

were brought before the Board of Judges (pictured on page 92), which consisted of selected members from the Student Council and Monitor Club. The pupils were punished according to the severity of the offense. Bake sales were conducted every two weeks by the group to raise funds to purchase arm bands and felt emblems.

Library Club

These girls helped with the mending, filing, and shelving of books to acquire a gold library pin, which they received upon accumulating one thousand points by the end of the junior year. Club periods were occupied by conducting business meetings, giving book reviews, and playing book charades. At Christmas time the girls took a trip to New York and saw the broadway hit, "Can Can." They also

planned a Merry Christmas for a needy family in the community by donating presents, food, and clothing.

Needlecraft Club

Girls who enjoyed knitting, crocheting, embroidering, and other forms of needlecraft, found this club a delightful place to make socks, afghans, gloves, scarves, sweaters, and, occasionally, needle-point pieces. The purpose of the club was to teach these handicrafts and increase the knowledge of those already familiar with the art. To improve their skills the members undertook individual projects, each to

their own preference, which will undoubtedly benefit them in their future plans for homemaking.

Band Enlivens School Spirit

The band, an indispensable and definite asset to our school was always admired and respected by everyone, whether marching or performing at home or at away football games, pep rallies, or just faithfully practicing every Thursday and Friday morning. The various inspiring drills performed by these talented music-loving students were an excellent example of the fine training received from the director, Mr. William Rothenberg. Marching in Halloween, Veteran's, Fireman's, and many other parades during the school year proved quite beneficial, adding experience to the members and awards to the school.

A successful venture, the annual Band Concert, held April 29, was both enjoyable and inspira-

tional to all who attended. Well known selections such as "Dorian Overture" by Maurice C. Whitney and "Nutcracker Suite" by Tschaikowsky were played with the utmost skill and ease. Appearing on television proved very fascinating to the members who observed for the first time, the organization, casting, and technicalities of a program. An outstanding exhibition was presented for the benefit of the television audience, which was by far the largest ever seeing the band in action. The spring months brought ice cream festivals, which improved the financial status of the club. Green felt emblems, inscribed with a gold lyre, were awarded to all members who contributed their time and talents to this musical organization.

Mr. Errol K. Peters, director of the Orchestras and Glee Clubs, produced and conducted the various successful musical and variety shows of the school.

Orchestras

A roar of drums and a clash of cymbals ring in our ears as we remember the Dance and Concert Orchestras. Songs with a zing were played by the Dance Orchestra for the Freshmen Follies, special assemblies, and school dances. An added attraction to the orchestra was the featured vocalist, Pat Fry, singing popular songs. The Concert Orchestra entertained with classicial music rather than popular music and participated in the Spring Concert, Baccalaureate Service, and Commencement.

Girls' and Boys' Glee Clubs

The singing that came from the balcony Thursday afternoons was familiar to everyone as the Girls' and Boys' Glee Clubs rehearsed. A desire to sing was all a sophomore, junior, or senior needed to join the club. Popular, religious, and patriotic musical selections were sung by the blended voices of both glee clubs in special programs. With their director, Mr. Errol Peters, they entertained the public with their singing on radio, the Spring Concert and the music review "Show Business."

During the year, movies were shown for the members' benefit and enjoyment. Two tournaments were planned, one of which was for members, and the other for student participation. Chipping and putting contests were also held.

Hi Jeff Publishes News

Reporters dash around the school; page editors rack their brains in order to create better news; the adviser is asked questions; and the editor-inchief cracks the whip in hopes of getting the paper out on time. That describes the scene in our school. Under the supervision of Mr. Albert Benfield, the members learned to prepare news items concerning the school, to meet and speak with people, to create an original poem, essay, or story, and to keep proper accounts.

The four-page copy issued sixteen times a year contained articles of sports, gossip, and social events which were the main topics of interest. Also exchange columns from different schools, ambitious alumni articles, publicity for elementary school functions, plus educational and interesting editorials were printed. Then, too, there were the cartoons in every copy, drawn by

the newspaper's capable artist, Betty Barraclough. A featured item was the "Birthday Calendar," composed of the students' pictures and names displayed in a different design each month. The newspaper served as an excellent medium for building school spirit and for bringing the school to the attention of parents and townspeople.

The staff members' proudest moment was on publication day when the newspaper was distributed at noon and the students engrossed themselves in the variety of delightfully presented news and gossip. Student subscription of \$1.75, bake sales, and selling bookcovers designed in the school colors, financed the Hi Jeff. The newspaper was typed by the staff typists, linotyped by Moyer Printing Service, and printed in the school shop by the Industrial Art classes.

The various forms of printing processes from the standpoint of artistic reproduction of pictures, both commercially and realistically, were introduced and taught to the members of the club. Printing processes such as block printing, dry point etching, and silk screening were some of the media through which they accomplished their colorful reproductions. Projects completed and

displayed during the year consisted of silk screened personalized stationery, posters, place mats, ties, and tea towels.

Students interested in the beauty and mysteries of nature devoted much of their time observing the courses taken by "Mother Nature." During club periods the members gave reports describing birds, reptiles, flowers, and other specimens of nature. Through field trips they studied trees, wild flowers, and other living things, which added

greatly to their interest in exploring the great out-of-doors.

Freshmen Present Hernando's Hideaway

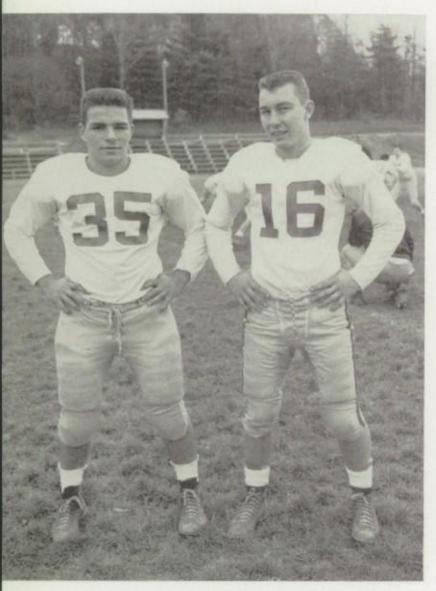

A dark secluded place—a glass of wine—a fast embrace—set the pace for the presentation of the sparkling Freshmen musical. The action took place in a low-rate night club far from distinctive and fabulous society. The Master of Ceremonies, Terry Wieder, proclaimed the talent of three separate floor shows. From time to time the spotlight was directed from the Master of Ceremonies to the typical bartender in the person of Jerry Seymour. Of course, no one could enter the "Hideaway" without the password "Jo sent me."

The curtain opened with a colorful tap dance and the show proceeded with the well-known song, "Hey There" from the Broadway Hit, "Pajama Game." Next in line were several comedy numbers, an unusual pantomime, and an accordion and trumpet solo. A rather sultry version of "Temptation" and "Blues In The Night" highlighted the second floor act, while in the third floor show there were vocalizations of "How Deep Is The Ocean" and "Over The Rainbow." In the same act the "Charleston" fascinated young and old. The show climaxed when the redheaded Trumbauer twins entered staggering drunk, announced "Jo sent them" and sat down at a table, whereupon, "Jo," a pretty, shapely brunnette, appeared and led the awestricken boys away. The performance closed with a dance and vocalization to "Hernando's Hideaway."

Gridiron Eleven Lose League Crown in Turkey Day Clash

Co-captains Jesse DeEsch and Max Miller.

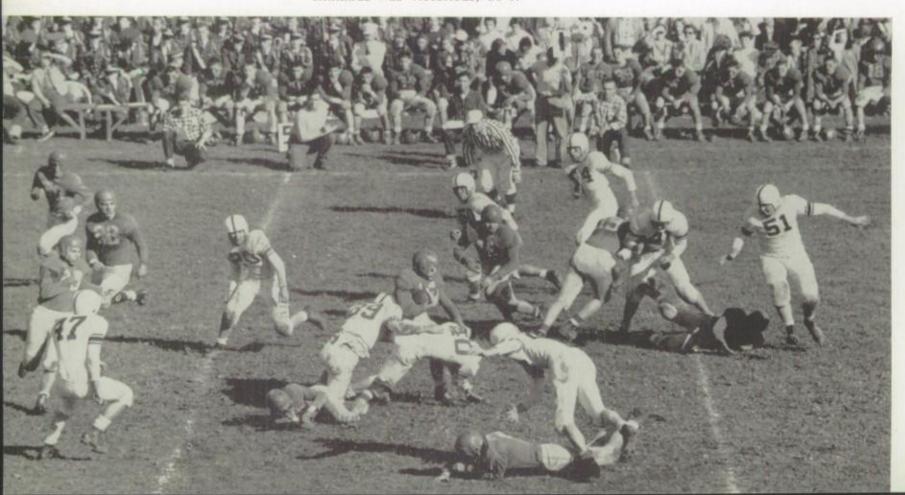

The gridiron season proved to be successful, as a record of four victories, three defeats, and three ties was established. The initial practice was held on August 18 prior to ten action-packed days at Camp Dent, where Head Coach William Lobb, ably assisted by Alfred Neff, Ken Moyer, and Richard Shaak, molded the squad into a swift-moving, alert, and confident team.

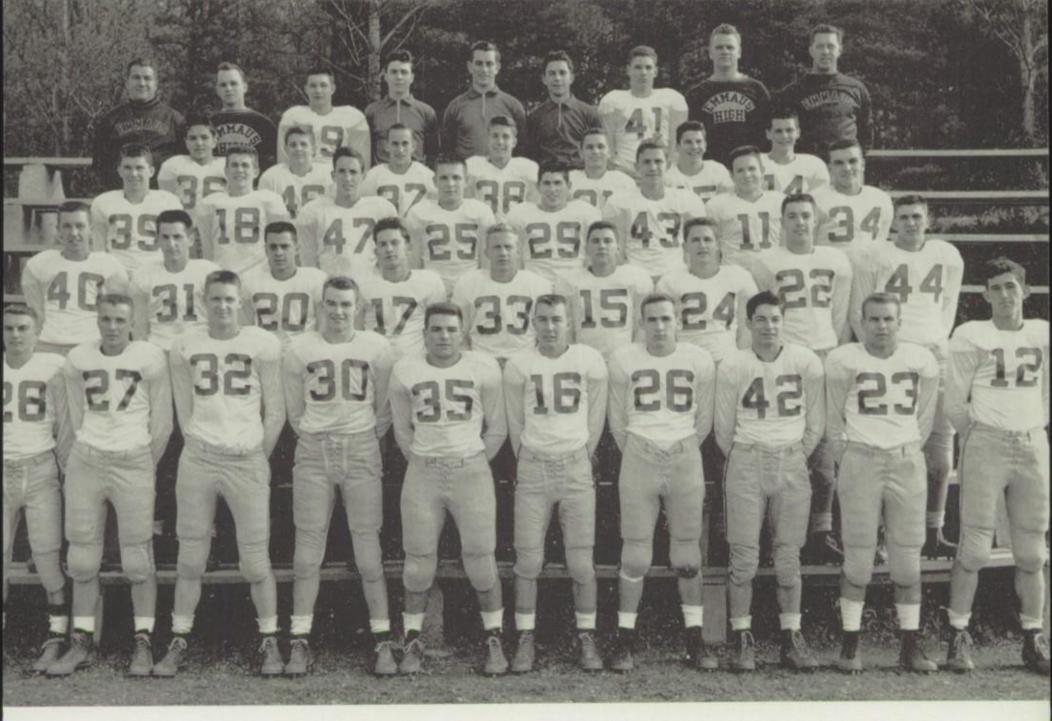

The season opened at Albright Stadium where an aggressive Hornet team met Muhlenberg Township in a game which ended with the Muhls on top of a 21-14 score. The future clouded over as both the Stroudsburg and Northampton games terminated in stalemates; but a ray of sunshine shone through as the Green Hornets rolled over the next four opponents in league competition. After losing one and tying one independent game, hopes were high as Emmaus opposed Whitehall in a battle for the Lehigh Valley League crown. A scoreless first half gave way to a 19-0 defeat, which placed Emmaus third in the league.

Jerry Seislove, Harold Anderson, and Dan Sachs were named on the All-League team. A Lehigh County-North-ampton County All-Star game was initiated for the first time with seniors Ed Buss, Max Miller, Jerry Seislove, Jim Warmkessel, Clark Wetzel, Jesse DeEsch, and Harold Anderson representing Emmaus on the victorious North-ampton County team.

The coveted Players' Player Award went to Ed Buss, as well as the Booster Game Ball. Max Miller was designated as the senior having done the most for football in his four years of high school, while the Most Improved Player Trophy was awarded to Jim Warmkessel.

Varsity gridders demonstrate football techniques to onlooking J.V.'s during practice at the Emmaus High School Athletic Field.

Pint-Size Gridders Gain Experience

The sounds of football filled the crisp autumn air as the Junior Varsity swung into action in a scrimmage against the Varsity. Excitement ran rampant as the Baby Hornets fought their utmost to take the measure of the senior eleven. Under the discerning eyes of Coaches Richard Shaak and Ken Moyer, each would-be gridiron warrior gave his best in order to earn a berth on next year's varsity. Many such scrimmages were to follow, affording the Varsity stiff competition and giving the Baby Hornets much needed experience, which was invaluable in competition with other Junior Varsities.

In compiling a record of one victory and five losses, the Junior Varsity lost to Muhlenberg Township, 13-6, and Slatington, 21-12, before emerging victorious over Catasauqua, 27-7. Once more Hornet efforts fell short as the Lehighton and Nazareth games ended with Emmaus on the short end of 20-6 and 31-19 scores, respectively. The final tilt of the year proved to be another defeat—this time to Whitehall, 19-0.

Cheers echo from the rafters as our cheerleaders boost spirit on the hardwood courts.

Cheerleaders Promote School Spirit

A flash of green and gold, the crowd bursting into a cheer—and our energetic and peppy cheerleaders were again on the scene of a sports event. Whether it was football, basketball, or a pep rally, they aroused the enthusiasm of the spectators and inspired our teams through victory and defeat. Practicing many hours under the

coaching of Miss Marilyn Clymer, they strived for perfection in rhythm, poise, and co-ordination. New cheers were created, as well as new formations and motions, which earned these girls wide acclaim as one of the finest squads of cheerleaders in the Lehigh Valley.

Lassies Capture Mythical Crown

Faced with the impressive records of previous years, a swift-moving Green and Gold sextet became the sixth team in the annals of Emmaus High School to wear the nine-year old mythical Lehigh Valley League Crown. In regaining the unofficial championship and establishing a record of twelve wins and one defeat, the Lassies emerged victorious in all of their league contests and lost only in an independent game to Allentown, 61-60.

Under the tutelage of Coach Marilyn Clymer, the squad spent many rugged hours in developing the snappy ball-handling and sharp shooting which characterized the play of the Hornette forwards and in molding alert guards, who, with their almost impenetrable defense, held the opponents to 466 points, while the Lassies scored 780.

Captain Lucille Heist captured scoring honors with a total of 248 points, followed by Jean Sell with 210.

TROPHY WINNERS: Sara Cope, most cooperative player; Sandy Scherer, most improved player; Jean Sell, team's choice for most valuable player; and Lucille Heist, team's choice for Player's Player Award.

Iobst with the rebound as Scherer and Cope stand alerted for the pass during the Catasauqua game. Emmaus won, 69-55.

Diefenderfer on the alert as Sell leaps into the air in an attempt to intercept the forthcoming Catasauqua pass. Emmaus won, 69-55. Lucille Heist, twelfth grade winner and Foul Shooting Champion of the school, demonstrates the underhand foul shot to Charlotte Baker, ninth grade winner, Sandra Seagreaves, eleventh grade winner, and Jane Diefenderfer, tenth grade winner and runner-up to the champion.

Varsity Cagemen Battle Stiff Competition

Handicapped by a lack of height, Coach Ken Moyer's Green and Gold cagers, nevertheless, demonstrated a spirit and gameness that endeared them in the hearts of student and adult boosters alike. With five returning lettermen as a nucleus and a host of basketball hopefuls with which to work, Coach Moyer came up with what was hoped to be a championship team. Champions in spirit and aggressiveness, but not in victories, however, the Hornets turned in a pre-league record of five victories and five defeats. A bright light in independent play was the Christmas tournament at Upper Perkiomen, in which the Green and Gold quintet thoroughly trounced Wilson Township and Muhlenberg Township in capturing top billing.

Playing in a league with some of the best teams in the Lehigh Valley, the Green Hornets fell by the wayside as they were nosed out in skirmishes with the league leaders, Slatington, Palmerton, and Catasauqua. Chalking up their first win of the infant campaign, the team eked out a 67-64 victory over Lehighton before losing a close one to a strong Northampton quintet. Upset by Stroudsburg in the closing minutes of the game, the Hornets closed the first half with a victory over Whitehall, establishing a first half record of two wins and five losses.

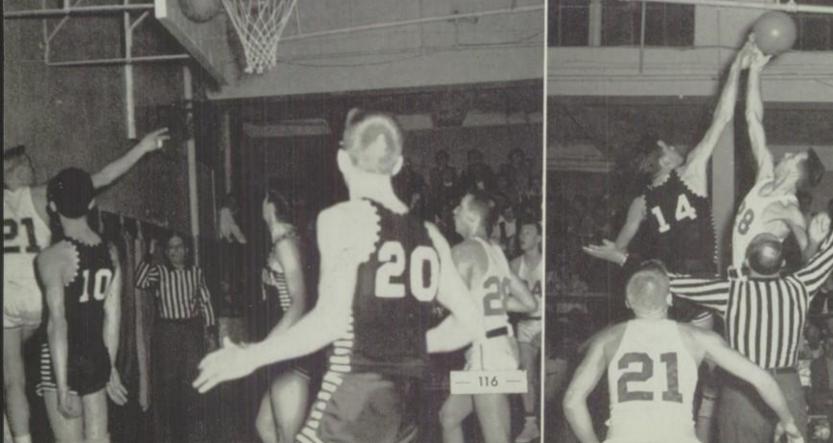

An injury-ridden team was convincingly downed by Palmerton, the eventual league champs, and Catasauqua and Slatington, the runners-up, to begin the second half. See-saw battles with Northampton and Stroudsburg saw Emmaus on the short end of 58-55 and 62-60 scores, respectively. The finale of the season saw the Green Hornets take the measure of Whitehall and Lehighton to cop sixth place in the Lehigh Valley League and establish a record of nine victories and fifteen defeats for the campaign.

John Myers topped the Hornet scoring with 408 points, an average of 17 per game, followed by Max Miller with 282 points, an average of 12.3 per game, and LeRoy Stephens with 242 points, an average of 11.5 per game.

Stephen fouled while driving in for a lay-up, as Myers and Miller stand on the alert in the Catasauqua tilt.

Myers up for the tap, as Stephen waits to receive the ball in the Catasauqua game. Catasauqua was victorious, 74-67.

First row: Thomas Underwood (Student Manager), Jesse DeEsch (Student Manager), Eugene Bonner (Student Manager). Second row: Byron Knoll, LeRoy Stephen, Edwin Hillegass, David Dennis, Mr. Ken Moyer (Coach), John Myers, Daniel Sachs, Donald Mory, Roy Renninger, Ronald Miller.

TROPHY WINNERS: Dave Dennis, most improved player; Max Miller, player giving the most assists; John Myers, foul-shooting champ and team's choice for the Players' Player Award.

Baby Basketeers Excel in Teamwork

Kratzer controls the ball on his finger-tips, prior to directing it to a waiting team-mate in the Catasauqua contest. Catasauqua thoroughly trounced Emmaus, 74-29.

Despite the fact that members of the Baby Hornet squad were elevated to the Varsity at various times, the J. V.'s displayed amazing teamwork and fine defensive play. In an effort to cultivate future varsity material, Coach Richard Shaak concentrated on accurate passing and shooting, as well as teamwork and defense.

Victorious in three of seven independent contests, the J. V.'s plunged into league competition with a first half record of four wins and three losses. The second half resulted in three victories and four defeats, giving the Junior Varsity an overall record of ten victories and eleven losses.

Gymnasts Execute Tricky Routines

Feats of skill, co-ordination, and breath-taking daring were highlighted on the evenings of March 24 and 25 when the Girls' and Boys' Gym Teams presented the the annual Gym Exhibition. Snappy unique drills, variety tap dances, tumbling, and the hilarious antics of the clowns caught and held the attention of the audience. Many practice hours had been spent under the supervision of Miss Marilyn Clymer and Mr. Leon Tuttle developing and perfecting these skills.

Team members who had participated in at least two events in the Exhibition for two years were awarded a six-inch chenille letter.

Stellar cindermen Miller, Anderson, Readinger, and Buchecker practice in the gym, as inclement weather quarantines track squad.

Trackmen Portray Speed and Stamina

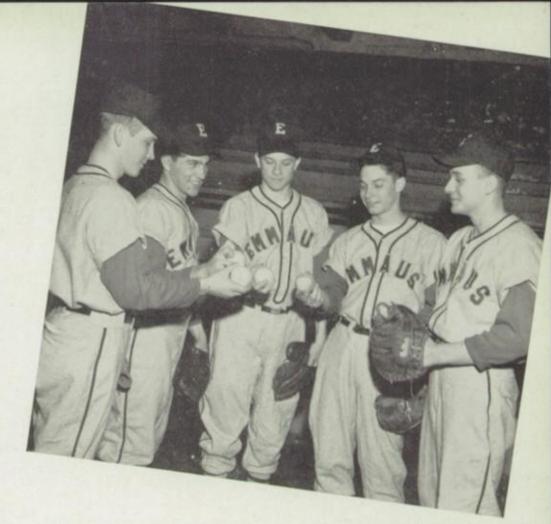

With only three returning lettermen, Max Miller, George Buchecker, and Keyes Elmore, Coach William Lobb concentrated on developing latent skills in cinder hopefuls. Youth and inexperience were the main obstacles to overcome, as Coach Lobb toiled day-in and day-out in whipping the squad into tip-top shape. Many jaunts to the Little Lehigh were featured in spring practices, which developed speed and endurance. Muscles hardened and co-ordination became markedly improved, as the squad untiringly ran through many tricky calisthenics.

The strenuous practices told their story as a non-league meet was scheduled with Quakertown on April 6, followed by meets with Boyertown and Bethlehem. An ever increasingly torrid Lehigh Valley League race featured meets with Whitehall, Northampton, and Palmerton. The L.V.I.A.A. meet was a testing ground for the top cindermen in the league as they competed against each other to earn the right to represent their respective teams at the District P.I.A.A. meet.

Diamond Skills Perfected by Baseball Nine

With seven returning lettermen, Ronnie Hamscher, Bruce Wetherhold, Randy Almony, Jim Warmkessel, Jerry Seislove, Corky Knoll, and Dave Dennis, as a nucleus, Coach Leon Tuttle endeavored to build a winning team. Although instilling good-sportsmanship and the will to win was Coach Tuttle's main ambition, he also strived to perfect diamond skills. Many a practice hour was spent in mastering base running and sliding techniques, the double play and the sacrifice bunt, the curve ball and a pick-off play.

A capable team, versed in every department of the game, took the field on April 7 against Coopersburg in the first of a twelve-game slate. Games with Allentown Central Catholic and Bethlehem Catholic were also played, while Lehigh Valley League opponents included Lehighton, Whitehall, Northampton, Catasauqua, Slatington, Palmerton, and Stroudsburg.

Early spring practice in the gym as Hamscher, Christofaro, Sachs, and Wetherhold show Warmkessel how each grips the ball.

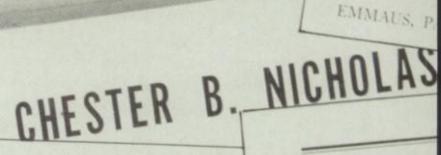

First row: Gerald Seislove, James Warmkessel, James Knauss, David Dennis, Daniel Sachs, Richard Christofaro, Bruce Wetherhold, Randall Almony. Second row: Mr. Leon Tuttle (Coach), Ronald Hamscher, Thomas Underwood (Student Manager), Terry Weidner (Student Manager), James Tuttle (Student Manager), Byron Knoll, Wallace Wetherhold.

Acknowledgment

The 1955 Tattler Staff is deeply indebted to the business establishments of Emmaus and surrounding communities for their financial aid and extends its heartfelt gratitude for the important role they played in making this, the thirty-third edition of the Tattler possible.

To the employees and managements of Calvin Studio, Miers-Bachman Lithographing Company, and Art Engraving and Electrotyping Company, we express our gratitude for friendly cooperation and excellent professional work in the production of this annual.

Our deepest appreciation and thanks to Miss Mildred Strauss and the senior secretarial and commercial students for their help and patience in the typing of yearbook copy; to Mr. Woodrow Schaadt and the senior English classes for their help in composing the biographies; and to all others who have cooperated in making this, we hope, another award winning edition of the *Tattler*.
